Responsibilities (tick all that apply)	Collect child from nursery / Contact in emergency

Please inform the people named above that you have given us their details so we can contact them if we are unable to reach you if your child is unwell, has an accident or is uncollected at the end of the session.

How will we contact you?

Our primary reason for collecting personal data is to contact you about your child, track their learning and development, and to keep them safe. We will do this through Famly, the communication app we use at the preschool. We will also send information such as newsletters, surveys, or invitations to events through Famly.

Please give the vehicle registration numbers of anyone collecting from preschool by car.

If you or any additional adults have any queries or concerns about data protection please email Marsha Dann, our data protection officer at marsha@playbc.co.uk or call on 020 8088 4808.
